PERRY LANES

BOWLING

TOURNAMENT!

Presented by Townsend Leather

Turning tragedy into action is an incredibly difficult thing to do, and when it happens within our community it inspires us to take action ourselves. Townsend Leather Partners were stunned and moved by the numerous lake accidents that occurred over this past summer, and the death of *Sean Craig* was especially hard on us. So, we are doing a small part in helping take action toward his family's cause. **The Sean Craig Memorial Fund** is on a mission to make our lakes safer, "Our mission is to raise funds to support a local dive team and in addition be able to provide funds for sonar equipment to use for future operations." Because safety and support are a never-ending challenge, they will continue to grow their mission when each goal has been met.

You can find out more about Sean Craig's story and the memorial-lake-safety-improving-fund in his name at: seancraigmemorialfund.wordpress.com

As a small but heartfelt gesture of bringing our community together and doing what we can to help fund their noble mission, we are hosting a Bowling Tournament.

Anyone is welcome to donate, sponsor, or participate

(some participants will be drinking adult beverages, so this event may not be appropriate for all ages)

**Our Bowling Tournament will happen
