

# SAMPLING OPTIONS

Townsend Leather delights in providing designers and purchasing companies with the information, examples, and inspiration they need when working on their projects. We offer a variety of sampling options to verified customers. **We understand each customer and project has its own unique ways of working and special requirements and so we offer flexibility and choices in our sampling tools in order to best meet individual needs.** Customization within each of the options is usually available; contact your Townsend Leather Customer Service rep with any specific requests at any time.

## TOWNSENDLEATHER.COM

To view images of our full catalog of products, read all the specifications, see similar products & more! - visit [www.townsendleather.com](http://www.townsendleather.com)

You can search and sort your way to find exactly what you are looking for.

## PRODUCT RING SETS

Product Rings Sets can show the full color line of your selected product in 4x4 or 6x6 or 9x9 inch samples held together.

When you know the product you want, but want to see all color options, this is the best choice.

## LOOSE SAMPLES

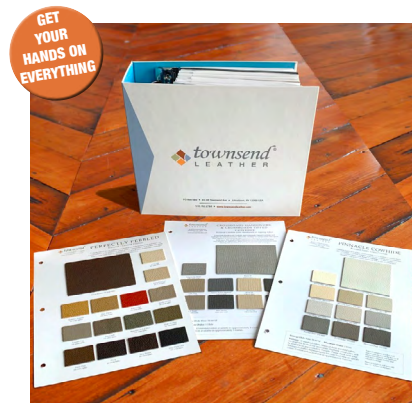

We can provide Loose Samples of products in a variety of sizes when available. The most common sample size is 4x4 inch. This is the effective option when your leather selection has been narrowed down. **Giving you a larger piece to represent the feel, color, and overall look of your product choice.**

## COLOR INSPIRATION SETS

A variety of loose sample sizes and products representing a specific color range held together on a rawhide string or metal ring.

Most often used for large design firms that have not narrowed down their selections, but plan to use Townsend Leather.

## FULL CATALOG BINDER

Our Catalog boasts photographic and physical samples of most of our standard products as well as other valuable information.

For when you need all the products and information that Townsend can provide, in a single portable binder.

## DESIGN + COLOR GUIDE

Our Design + Color Guide represents a large variety of our standard product line and displays them through small paint-chip-sized samples in color arrangement.

This is a great starting place for when your driving need is color.

A LIL BOX O' BEAUTIFUL!

## MINI BOX

The Mini Box has a handful of curated 4x4 Grommet Card Samples.

Small enough to fit wherever you need it, but containing enough beautiful leather to make a big impact.

A SMIDGEN MORE BEAUTIFUL!

## SINGLE SLEEVE BOX

The single sleeve box is about twice the size of The Mini Box. Small enough to fit wherever you need it, but containing enough beautiful leather to make a big impact.

IN-STOCK!

## IN STOCK PORTFOLIO

Townsend Leather understands our client's desire for innovative and unique products, but also that time is of the essence for many projects these days. Leather is often needed with very quick turn-around times, so we have committed to maintaining stock of the leathers shown here to help alleviate the demands placed on our customers for faster shipments. A tri-fold, hole-punched, swatch-covered portfolio of our in-stock offerings.

With over 100 colors available in different product lines, sheens, colors, and textures, we are positive there will be something for your next interior design project.

A WHOLE BOX OF GOODIES!

CUSTOMIZABLE

## SINGLE BOX SET

The Single Box Set offers 4 inch sample cards of a wide selection of products.

Our Single Box Set can come with 6 sleeves of samples, or with 4 sleeves, a mini box, and a Color + Design Guide.

Best for larger firms that want a strong visible understanding of the available products. Box sets also allow more of a tactile sense of the products.

## STACY GARCIA SAMPLES

Our Box Sets, Mini Box, and Single Sleeve options can all be customized to include a wide range of our exclusive *Stacy Garcia for Townsend Leather* product lines.

EVEN MORE GOODIES!

CUSTOMIZABLE

## DOUBLE BOX SET

The Double Box Set offers an even larger range of products.

Our Double Box Set can come with 12 sleeves of samples, or with 10 sleeves, a mini box, and a Color + Design Guide.

A huge selection of products covering the full spectrum of colors. Single Box Sets also cover the full spectrum but with a condensed selection.
