GET SHIT DONE AWARD

PRODUCTION LEADERSHIP

Get Shit Done is awarded to a team that thinks and acts on those thoughts. Looking ahead, anticipating, and taking action. Self-motivated with focus and clear priorities, acting on their plan with drive and adjusting when needed. Getting shit done, but having fun while they do it.

Our Production leadership team as a whole have always embraced the get shit done ethos, over 2018 and 2019, they showed they could do it under nearly every challenge that could be thrown at them. Overcoming unpredictable business periods, projects, endless challenges that come every day in staff, equipment, and raw material, heat, cold, - they worked together to break more records in production output and make more beautiful leather than ever before! They absolutely know, all hands on deck, pedal to the metal, and as a team how we get it done!!
