## LEGACY AWARD

# JILL SANTIAGO

Jackie will always be remembered as a connector, a strong, hard-working, caring, and conscientious partner. This award specifically recognizes, a strong WOMAN, annually who trailblazes. This is a woman who makes an effort to help others, fights the status quo, will ask the hard questions, and will go beyond what is expected of her to effect change, and make things better.

Jill is a Get Shit Done, problem-solving, take action kind of woman. She takes the initiative to care for others through participating in the Moments Team and checking in on the well-being of her fellow partners.
