

OUTSIDE PARTNER OF THE YEAR

BETH ANNE FORREST

Outside Partner of the Year is awarded to someone who touches the minds and hearts of Townsend Partners even when they are not in the building with us. Taking on any job thrown at them. Working along with us, asking “what else can we do?” Tenacious in their pursuit of excellence. Beth Anne is someone who lives up to the title, Success Coach. Her impact on our culture is without question. She is fully committed to her job and regularly goes above and beyond to make sure all those she works with or could work with have a voice and are heard, whether it’s about on-the-job challenges or life at home getting in the way. Beth Anne is amazing because of her drive, her passion and her creative ability to think outside the box.
