

# ROCKS AWARD

# SAMPLE TEAM

Rocks is awarded to Partners that are focused on collaboration in an effort to create something amazing. Through words, actions, and goal-focused attitude these Partners generate a positive vibe around them, giving the team a feeling they can overcome any challenge.

In the first full year with practically a new team, other than Brett coming on full time, Noel and the Sample team were essentially rebuilding after Elsa and Linette took roles on the customer service team. With Brett and Noel as the nucleus, they would quickly establish a new team that Rocks with Tracie, Jordan, Maria, Nina, and now Belinda and Kylie - this is a band/team that knows how to turn it up, get it done, and have fun!! With partners learning products and quality and a little more distance from the customer service team, the entire team rocked out helping us get and deliver on one of our busiest years ever!
