

SPIRIT AWARD

DANIELLE SMITH

The Spirit Award is one created to recognize a partner who applies equal importance to working hard with being attentive to others through their social interactions. They are caring, compassionate, story and joke tellers, giving, getting shit done and having fun, meaning, fulfillment, joy, eye contact, presence, hard-working, marveling at their spontaneity, wit, and intelligence. Diffusing stress, making meetings light, and more fun. They care about us having fun and getting stuff done, and they are willing to go out of their way to see that we do!

Danielle is a connector, she wants others to feel good and goes out of her way to spread team spirit, success, support and positive vibes.
