

OAKLEY COLE

SUPERLATIVE WINNER

Oakley was recognized by his peers, buddies, and managers on his 8th year anniversary by receiving the 2019 Teamwork Award.

This value encompasses so many of our values all into one and is arguably the most critical one to our success. He exemplifies teamwork daily by being flexible, positive, hard-working, gritty, and willing to learn just about anything asked of him. There's a certain respect you earn when you rise above for the greater good, and he does that. There's been countless times when Oakley stayed late, came in early, changed jobs with a minutes notice, or covered for someone. Not only does he not complain about it, but does it happily and positively. Holy grit-balls!

There's not a single partner that doesn't think Oakley clearly represents this award. It's very special when it's unanimous among your peers.

Management is so proud of his recent move to embossing to help when we needed it the most. They are inspired by him and see what he gives.

Thanks for being you, Oakley. Townsend needs more like him, especially during these hard COVID-19 times. Every day is a good day, just some are better than others - especially when he's around.

TEAMWORK

About This Superlative Award

It is given to a partner who understands we are a family, a team, a machine working in harmony toward a single goal...greatness. Teamwork is shown through actions, words, and the choices we make. Lending a hand, looking out for each other, standing up for what is right, taking action, being a leader, being a coach, thinking about what the best solution is - not the easiest, finding ways to overcome obstacles and work together are all ways that Townsend exemplifies teamwork.
