

PAMELA GOLDSWOR

SUPERLATIVE WINNER

Pamela Goldswor, we don't know what we would have done without you this year! From the patience and flexibility you have exuded all year on any Covid related questions, so many nights and weekends talking or texting with partners on quarantines, testing, etc - you have had to be ON all year! From the hiring spree that began in March, that would find you interviewing hundreds of people this year and finding some amazing ones at that, am I right? Partners if you comment to congratulate Pamela and share your appreciation and I hope you do, please share your thoughts also on someone she brought to your team that you are just thrilled about! Nothing would give Pamela more joy than seeing and hearing of you and them partnering awesomely!

To the constant leadership and partnership she gives in coaching or training partners, or helping any of our partners personally or professionally in guidance or through conflicts - her office has always been open - except when she is with someone which has been ALOT this year!

It's been a sold out tour all year for sure for Pamela!

We have been searching for months to get her help as she has been so busy! Like a lot of us, she has had a hard time keeping up, but she stays up - she has always rocked every day like she's going to save yours or someone's - her stamina and love for being there for each of you and this company is inspiring and so appreciated!
