

CLASSIC EMBOSSED COWHIDE

PRODUCT CHARACTERISTIC SHEET

PRODUCT DESCRIPTION:

Classic Embossed Cowhide is aniline-dyed, Finished cowhide that has been embossed to give a dimensional look to the leather.

Classic Embossed Cowhide can receive most any of our design pattern embossings.

CHARACTERISTICS:

Durability and built-in protection from soiling, fading, and wear.

Features the hand and drape associated with the highest quality full-grain leathers but with added consistency and protection.

More uniformity and less apparent defects than found in Aniline leathers

Superior cutting yield.

A: Permanent natural creases on the hide caused by fat deposits in the live animal usually found in the neck, shoulder, and belly area.

FAT WRINKLES

B: Healed wound during life of animal which is characterized by raised surface and inconsistent grain. Scars are less apparent in the Classic Embossed product than in Aniline leathers.

SCARS

C: Characterized by many clearly visible blood vessels, either closed or cut open by splitting or shaving operations. Veins are less apparent in the Classic Embossed product than in Aniline leathers.
