

# CLASSIC GAUFRAGE COWHIDE

PRODUCT CHARACTERISTIC SHEET

## PRODUCT DESCRIPTION:

Classic Gaufrage Cowhide is aniline-dyed, Finished cowhide that has been gaufrage-embossed to give a dimensional look to the leather.

## CHARACTERISTICS:

Gaufrage is a unique embossing process that creates upholstery leather of exceptional softness and beauty. The design impression is transferred to the leather by an engraved roller under high heat and low pressure for a soft natural hand without pattern match lines.

More consistency and less apparent defects than found in Aniline leathers.

As a Finished leather there will be durability and built-in protection from soiling, fading, and wear.

Offered in 25 SF sides or 40-45 sf Center Cuts with no match line.

A

**A:** Leather is a natural product, therefore it may take the embossing effect differently from area to area and therefore, there will be some variation in the depth of the embossed pattern print. This variation is controlled as much as possible.

B

**B:** Some natural characteristics such as healed scars, veins, neck wrinkles, and grain variation throughout a hide and from hide to hide will be less obvious than in an Aniline leather.

## EMBOSSING PATTERN DEPTH
