PRODUCT CHARACTERISTIC SHEET

PRODUCT DESCRIPTION:

Classic Gaufrage & Tipped Cowhide is aniline-dyed, gaufrage-embossed, Finished cowhide that has been Hand-Tipped with multiple colors and effects that highlight the pattern.

CHARACTERISTICS:

Gaufrage is a unique embossing process that creates upholstery leather of exceptional softness and beauty. The design impression is transferred to the leather by an engraved roller under high heat and low pressure for a soft natural hand without pattern match lines.

As a Hand-Tipped leather, there will be some variation in coloration and boldness of the tipping effect within a hide and from hide to hide.

The finish effect of this leather artwork is applied by hand, the resulting variance in design and color are part of its natural beauty.

A sample is not necessarily representative of the overall effects of this leather.

As a Finished Leather, there will be durability and built-in protection from soiling, fading, and wear.

Offered in 25 SF sides or 40-45 SF Center Cuts with no match line.
