

PLAID STUCCO COWHIDE

PRODUCT CHARACTERISTIC SHEET

PRODUCT DESCRIPTION:

Inspired by the texture, pattern and effects of Modern Art, Plaid Stucco Cowhide is truly a masterpiece.

Plaid Stucco technique is applied by hand by our artists & craftsman themselves using brushstrokes and layers create depth and a burst of color that will enhance any interior design. One or multiple colors can be used in any combination to create unique art inspired designs.

CHARACTERISTICS:

Lightly finished, protected leather. Hand-Tipped. Natural variations in color, tone and texture are part of the beauty of this leather artwork and highlight each hide's unique history and natural markings. The characteristic finish effect of this leather artwork is applied by hand; resulting variance in design and color are part of its natural beauty. Expect color and pattern variation from swatch to hide and from hide to hide. Each hide is a unique work of art.

As a Hand-Tipped leather, there will be some variation in coloration and boldness of the tipping effect within a hide and from hide to hide.

A Sample of Plaid Stucco Cowhide is not necessarily representative of the overall coloration, effect, and characteristic of an entire hide.

A

A: Permanent natural creases on the hide caused by fat deposits in the live animal usually found in the neck, shoulder, and belly area.

FAT WRINKLES

B

B: Plaid Stucco Cowhide is a spray antiqued and Hand-Tipped off leather, therefore there will be some variation in the coloration and boldness of the rubbed effect within a hide and from hide to hide.

VARIATION IN HAND-TIPPING

C

C: Healed wound during life of animal which is characterized by raised surface and inconsistent grain.
