

REBECCA DANELORICH

SUPERLATIVE WINNER

This is a heartfelt award honoring Jackie Fox, who fearlessly paved the way for women in the workforce. We gathered with 5 well deserving nominees who all encompass our core values and take our “Get Shit Done” motto to the next level: Christa Fonda, Paige Coyle, Larissa Groesbeck, Rebecca Danelorich and Marissa Strait all push the boundaries as trailblazers who go the extra mile and bring others along the way to success. Gabby Strait, Kayla Savage and Danielle Steding had the privilege of passing the torch to Rebecca Denelorich. Rebecca, who is coming up on 20 years at Townsend, continues to rise to any challenge and shows fortitude in the countless hats she wears, she is always leading us to come out better for the greatest good of all.

"I was in Heaven, with these 5 amazing women, our 3 ambassadors from last year, my heroine Jackie, and my other two heroines, Sarah Eckler and Pamela Goldswor! This is a group of women who have the mental fortitude, grit, ownership, and passion to rise above all hurdles and do more in their roles and in our company than many before men and women! Rebecca Danelorich spoke of her motivation to just make things better, to come with solutions that made others happier, more productive, more informed, and more enriched! She's selfless in her strength, and I know firsthand has such a humble nature about what she can or will do, but the kind of drive and intention that is for all generations and posts around the company inspiring! She makes such a great ambassador for this award and I loved sharing it with her and all in attendance! Thanks to all 5 for all your efforts and inspiration, for our 3 previous ambassadors sharing their heartfelt sentiments, and to Jackie for trailblazing in a way that still inspires men, women, and all partners to stand up and step up with strength! Congrats Rebecca, we'll deserved and I'm so proud of thankful for all you do and are!!!!" - Jared Eckler

About This Superlative Award

Jackie Fox will always be remembered as a connector, a strong, hard-working, caring, and conscientious partner. This award specifically recognizes a strong WOMAN, annually who trailblazes. This is a woman who makes an effort to help others, fights the status quo, will ask the hard questions, and will go beyond what is expected of her to effect change, and make things better.
