

## KEN WARNER

# SUPERLATIVE WINNER

Congratulations to Ken Warner as our new Teamwork ambassador! Teamwork is the Mother of all our values! In every company and team discussion we have ever had about values, being a good teammate, thinking of and working with others for the greater good, essentially captures all our values. Ken, a former Rookie of the Year, perfectly encapsulates what we mean when we say “Get Shit Done ☑, and Have fun!!” Always taking his work but not himself seriously, he will be the first to admit to a mistake, ask questions, direct traffic, lend a hand, crack a joke, start a team discussion, look for learning lessons and opportunities to coach and train others, and look for a solution, not the easy one but the one that makes the biggest difference for us and the customer. Ken shows teamwork in his actions and words, he treats all partners like family and will enthusiastically help out anywhere in the company and anytime.

Thank you Ken for being such a great example of the very best in our value of Teamwork and congratulations!

*“Ken Warner, I can’t say enough about everything Ken does to keep Shipping/Measuring running smoothly. He’s the glue that holds it all together. I’ve seen him take “one for the team” on many occasions just to keep everyone on course. And... he brings Joy!” - Anonymous*

### About This Superlative Award

It is given to a partner who understands we are a family, a team, a machine working in harmony toward a single goal...greatness. Teamwork is shown through actions, words, and the choices we make. Lending a hand, looking out for each other, standing up for what is right, taking action, being a leader, being a coach, thinking about what the best solution is - not the easiest, finding ways to overcome obstacles and work together are all ways that Townsend exemplifies teamwork.
