

CODY O'MEARA

◆
SUPERLATIVE WINNER

Cody always stays cool as a cucumber no matter what challenges are thrown his way and as our one man IT department, there is a lot! Gadgets, desktops, systems, connectivity, and department specific equipment all stay running thanks to Cody. When our network is down, the whole company comes to a halt so the pressure is on! It never makes Cody waiver though. He gets to work and always with a smile.

Cody is well known for his patience, poise, focus, quick decision making, and problem solving. He always goes above and beyond to help his partners, often coming in on his days off so he doesn't leave anyone hanging. Cody has established a whole new level of expectation of how polite and responsive IT can be!

He also received votes for Communication and Partner of the Year:

"I STRONGLY feel there are not many people as dedicated as Cody is! He never complains (at least to any of us), always has a smile for everyone no matter how many times he is coming to fix our problems. He is a wonderful person and should be recognized for all he does." - Anonymous

"He's always there when you need him and sometimes it probably seems like we all need him at once. I love his quiet confidence and his calm, cool demeanor (like his Mom)" - Anonymous
