

SARAH AMBROSINO

SUPERLATIVE WINNER

Congratulations to Sarah on her Teamwork win! This one is special as a first year partner has never won a superlative other than Rookie of the Year. What a rock star!

Although she struggled with health issues in the beginning of her time at Townsend, she overcame it all to become an indispensable member of the Dry Floor team. Sarah enthusiastically learned buffing while Vern Young was injured and is most recently learning how to emboss from the masters, Mike Spinks and Tom Larowe. She loves to work on all the Dry Floor machines with different partners and everyone loves to work with her too!

Sarah is commended for her attitude towards her work and fellow partners. She is dependable, curious, considerate, attentive, flexible, and prideful in her work. With every new job she learns, Sarah raises the expectations of herself. Remarkably, she keeps exceeding them! The sky is the limit for this team player.

Thank you for being such a star, Sarah! We are thankful for all your hard work and can not wait to see how you grow over the next year.

"Keep kicking ass and being one of my favorite coworkers to get shit done on the daily!!" - Lori Seeley

TEAMWORK AWARD

About This Superlative

It is given to a partner who understands we are a family, a team, a machine working in harmony toward a single goal...greatness. Teamwork is shown through actions, words, and the choices we make. Lending a hand, looking out for each other, standing up for what is right, taking action, being a leader, being a coach, thinking about what the best solution is - not the easiest, finding ways to overcome obstacles and work together are all ways that Townsend exemplifies teamwork.
