

KASSIDY POSSO

SUPERLATIVE WINNER

This week we celebrated our value of Flexibility and this years new Ambassador and winner of the award, Kassidy Posso! Only in her 2nd year with us but making such a great impression on so many of us with her great attitude, work ethic, and enthusiasm as she often shifts responsibilities and work stations (buildings even) as she jets back and forth from our Shipping team and Finish Stock team to help wherever and whenever needed! Congratulations Kassidy and thank you for all you do and are!

“My girl Kassidy Posso gets the vote for Flexibility. She is willing to go wherever help is needed and gives 110% to the work that she does. She has jumped back in to help in Finish Stock at a moment's notice whenever called upon. She rolls up her sleeves and dives right in, pulling add-ons, putting hides away, and organizing. I just love that about her!”

“Kassidy Posso was extremely flexible during 2023, working in finish stock and helping out the shipping dept. when needed. Then after fully transitioning to the shipping dept. she still helped out in finish stock when they needed the help.”
