

VANESSA NINNEMAN & ADELE ARMSTRONG

SUPERLATIVE WINNERS

Each year we celebrate the trailblazing passion, care, fight, and urgency exemplified by Jackie Fox through her Legacy Award in awarding to a woman who showed us the same characteristic strength and aura in her work. Today we were thrilled to celebrate all our top nominees voted for by all our partners and announce a tie for ambassadorship for Vanessa Ninneman and Adele Armstrong!

We love how hard both women work with our team to get things done, improve quality and efficiency, ask the hard questions, and get to making an impact in their work and through others relentlessly. Like Jackie, they speak up and out passionately and they truly make a difference to our team. Congratulations Vanessa and Adele and much respect to all our women celebrated her today!

“Adele Armstrong! She is small, but fierce! She is not afraid to ask questions and tell it like it is. HA! She knows her schedule and does her absolute best to stick to it and if something changes she knows right away and wants to know why! She helps wherever she is needed and you will often see her on the floor helping feed the spray line. Get it gurl!!”

“Vanessa - always is fighting the good fight on how to improve and is always there for her partners caring for them and being there for them.”
