**SUPERLATIVE WINNER**

Our 4 finalist for the Learning Award included Ambur Carden Carina Oare, Kyle Smith, and Taslim Yousaf. We shared praise and votes for our 4 finalists from our internal survey and announced our new ambassador for Learning, Kyle Smith!! We love all 4 of our finalists and think they all embody the spirit of enthusiasm for learning, growing, teaching, and sharing knowledge and experience!

“Kyle Smith - His hunger for new knowledge is so refreshing! He always brings quality conversation to the table. Seeing him flourish in dry floor and now into cutting is wonderful!”

Congratulations Kyle, and to all 4 of you, thank you for your shining example and efforts!!
