

**CYNTHIA DINGMAN**

**SUPERLATIVE WINNER**

We are happy to announce Cynthia Dingman as our new Stepped Up winner! Congratulations to Cynthia and the other finalists, Thomas Frank, James Byers, Megan Kucel, Maria Calandra Lomanto, and Isaiah Levesque who all had great stories about the challenges and role changes they conquered in 2023!

Here are some of the vote quotes for Cynthia that helped her win the top spot for the category:

“Cynthia Dingman - stepping up into color matching, evolving her leather knowledge and putting her skills to good use!”

“Cynthia Dingman. She has really taken on new challenges this year, transitioning into color matching and cross training in tipping. She really puts her all into everything she does”

“Cynthia Dingman - She’s done a wonderful job stepping up to do rush strike-off samples this year. She was a super quick learner and does really nice work.”

Moving from the Sprayline maintenance 2nd shift to color matching - the quotes say it all, she made a big impact on us getting caught up in two key areas and no doubt we couldn’t have done it without her!
