**About This
Superlative Award**

It is given to a partner who understands we are a family, a team, a machine working in harmony toward a single goal...greatness. Teamwork is shown through actions, words, and the choices we make. Lending a hand, looking out for each other, standing up for what is right, taking action, being a leader, being a couch, thinking about what the best solution is - not the easiest, finding ways to overcome obstacles and work together are all ways that Townsend exemplifies teamwork.
