

Congratulations to Kassidy Posso for winning our Superhero award this year! In her work on our Shipping Team and in helping in Finish Stock, she already won our Flexibility award earlier in the year. Her strength, determination, and ability to save the day was on full display everyday this year! Even deep into her pregnancy (she's pictured with baby Ryker) she couldn't be kept down, no matter how much her teammates doted on her! In her work and example she inspired us!!

Congratulations Kassidy, well deserved - and so is this leave to care for your precious new son! Thank you for being such a Superhero and Super Momma!!
